

Pressure Washer

The Wizard Pressure Washer is the perfect partner for all your outdoor cleaning needs. The quick-connect function makes assembly very simple. It's easy to use and has an adjustable nozzle that gives you maximum control when it comes to cleaning surfaces with differing textures. The pressure washer comes with a detergent bottle, spray gun, accessory storage case, and 5m power cable. It's 1200W with 82 bar maximum pressure and 6.5L maximum flow. With a low noise level, it's ideal for cleaning everything from your back patio to your cars without waking the neighbourhood.
